

**SCHOOL OF LAW
MIT-ADT UNIVERSITY, PUNE**

Program Name: LL. B

Program Outcomes

PO NO.	Description	Program Outcomes
1	Legal Knowledge	Students will gain a comprehensive understanding of foundational legal principles, concepts, theories, and doctrines. This includes areas such as contract law, criminal law, constitutional law, tort law, property law, and more depending on the curriculum.
2	Legal Research Skills	Students will develop strong research skills, including how to locate, analyze, and interpret legal sources such as statutes, case law, regulations, and legal commentary.
3	Legal Writing and Communication	Graduates will be proficient in legal writing, drafting legal documents, and communicating effectively in various legal contexts. This includes the ability to write persuasive arguments, legal opinions, briefs, and memoranda.
4	Analytical and Critical Thinking	Students will develop strong analytical and critical thinking skills, enabling them to identify legal issues, analyze complex legal problems, and propose reasoned solutions or arguments.
5	Problem-Solving Skills	Graduates will be equipped with the skills to identify legal problems, evaluate potential solutions, and apply legal principles to resolve disputes or issues effectively.
6	Ethical and Professional Standards	Students will be familiar with the ethical rules and professional standards governing the legal

		profession. They will understand the importance of integrity, confidentiality, and professionalism in legal practice
7	Legal Practice Skills	Depending on the program, students may receive practical training in legal skills such as advocacy, negotiation, mediation, interviewing clients, and courtroom procedures.
8	Understanding of Legal Systems	Graduates will have an understanding of the legal system(s) in which they are trained, including the structure of the legal system, the roles of various legal actors (judges, lawyers, etc.), and the sources of law.
9	Awareness of Social and Political Context	Students may develop an awareness of the social, political, economic, and cultural factors that influence the law and legal decision-making.
10	Preparation for Further Study or Legal Practice	The LLB program may prepare students for further study in law (such as pursuing a Master of Laws degree or specialized legal studies) or for entry into legal practice, depending on the jurisdiction's requirements.

Semester I

4			<p>03 Interpret and draft legal documents such as flat purchase agreements, apartment declarations, rental agreements, and real estate agent contracts in accordance with relevant statutory requirements.</p> <p>04 Critically evaluate the effectiveness and adequacy of existing real estate laws and regulatory mechanisms in addressing issues of property rights, land use, tenancy, revenue management, and dispute resolution in Maharashtra.</p>

				outcomes and recommending appropriate courses of action.
			04	Develop communication skills through the articulation of legal arguments, orally and in writing, pertaining to the interpretation and application of contract law principles in real-world contexts.
5	23LLB0205	Cyber Law	01	Demonstrate a comprehensive understanding of Cyber Law in India, including its historical development, scope, and significance in the digital age.
			02	Analyze and interpret key provisions of the Information Technology Act, 2000 and its amendments, and apply them to real-world scenarios.
			03	Develop the ability to evaluate E-Governance projects from a legal perspective, identify legal challenges, and propose solutions to ensure compliance and effectiveness.
			04	Gain proficiency in addressing legal issues related to cybercrimes, intellectual property, e-commerce, data protection, and privacy, with a focus on practical application and compliance in the digital realm.

Semester III				
Sr. No	Course Code	Course Titles	CO No.	Course Outcomes
1	23LLB 0301	Public International Law	01	Demonstrate a critical understanding of the fundamental principles, sources, and subjects of public international law.
			02	Apply international law principles to real-world scenarios, particularly in areas such as treaty law, state jurisdiction, and immunities.
			03	Evaluate different methods of international dispute resolution and the role of various international courts and tribunals.
			04	Address and analyze contemporary challenges in international law, including human rights issues, environmental protection, and cybersecurity.
2	23LLB 0302	Family Law I	01	Gain a comprehensive understanding of the scope, sources, and historical context of Family Law in India.
			02	Critically analyze and differentiate between Hindu and Muslim marriage laws, including procedures for divorce and dower.

			03	Understand legal procedures for adoption and maintenance under Hindu Law and implications of paternity acknowledgment.
			04	Acquire knowledge about legal frameworks, management, and challenges associated with Wakfs and endowments.
3	23LLB 0303	Labor Law	01	Understand the framework of labour laws in India, including key legislation and their significance.
			02	Interpret and apply labour laws in industrial relations, employment conditions, and social security matters.
			03	Develop skills in grievance redressal, collective bargaining, and negotiation processes.
			04	Understand the impact of global trends and technology on labour laws and future challenges.
4	23LLB 0304	Clinical Paper I- Professional Ethics and Professional Accounting System	01	Clearly differentiate between ethics, morality, and law, and apply ethical theories and approaches to real-world professional scenarios.
			02	Demonstrate an understanding of the functions and powers of regulatory bodies such as the Bar

				Council of India and the Institute of Chartered Accountants of India (ICAI).
			03	Apply the rules of professional conduct and ethics in their respective professions, understanding the implications of professional misconduct and legal liabilities.
			04	Critically evaluate and respond to emerging ethical challenges in professional practices, including those posed by digital advancements, globalization, and environmental considerations.
5	23LLBEC305	Paper 1: Media and Law	01	Trace the historical development of media in India and articulate the significance of different media forms through various eras.
			02	Demonstrate a clear understanding of the constitutional provisions and legal restrictions on media freedom, supported by an analysis of landmark cases.
			03	Gain comprehensive knowledge of media-specific legislation and the roles of regulatory bodies, along with the effectiveness of self-regulation in maintaining journalistic standards.

			04	Evaluate the ethical dilemmas and legal challenges in media operations, particularly during national emergencies and high-profile cases, and propose balanced solutions.
6	23LLBEC306	Paper 2: Right to Information	01	Demonstrate a comprehensive understanding of the RTI Act's history, significance, and its role in promoting transparency and accountability in governance.
			02	Critically assess the constitutional and judicial contributions to the RTI framework and their impact on the enforcement and interpretation of the Act.
			03	Effectively navigate the procedures for filing RTI requests and appeals, understanding the roles and responsibilities of Public Information Officers and the duties of public authorities.
			04	Identify and apply the exemptions and limitations under the RTI Act in various contexts, ensuring a nuanced understanding of when and how information can be withheld or disclosed.

Semester IV				
Sr. No	Course Code	Course Titles	CO No.	Course Outcomes
1	23LLB 0401	Company Law	01	To provide a comprehensive understanding of the legal framework governing companies in India.
			02	To examine the evolution, formation, and classification of different types of companies.
			03	To analyze the principles of corporate governance and the roles of key stakeholders like shareholders, directors, and promoters.
			04	To explore the regulatory mechanisms, capital structure, and corporate insolvency processes under Indian company law.
2	23LLB 0402	Family Law II	01	To provide a comprehensive understanding of Hindu and Muslim family laws, focusing on joint families, succession, and property rights.
			02	To analyse the legal principles surrounding partition, inheritance, and maintenance under Hindu, Muslim, Christian, and Parsi personal laws.

Semester IV				
Sr. No	Course Code	Course Titles	CO No.	Course Outcomes
1	23LLB 0401	Company Law	01	To provide a comprehensive understanding of the legal framework governing companies in India.
			02	To examine the evolution, formation, and classification of different types of companies.
			03	To analyze the principles of corporate governance and the roles of key stakeholders like shareholders, directors, and promoters.
			04	To explore the regulatory mechanisms, capital structure, and corporate insolvency processes under Indian company law.
2	23LLB 0402	Family Law II	01	To provide a comprehensive understanding of Hindu and Muslim family laws, focusing on joint families, succession, and property rights.
			02	To analyse the legal principles surrounding partition, inheritance, and maintenance under Hindu, Muslim, Christian, and Parsi personal laws.

			03	To explore the role and legal status of female coparceners, guardianship laws, and the rights of live-in partners within the family law framework.
			04	To examine contemporary family law issues in India, such as adoption, inter-parental custody disputes, and the application of the Indian Succession Act.
3	23LLB 0403	Civil Procedure Code and Limitation Act	01	To provide a comprehensive understanding of the procedural aspects of civil litigation under the Civil Procedure Code (CPC).
			02	To familiarize students with the historical evolution of civil procedure in India and its impact on the present legal framework.
			03	To analyze key concepts, terminologies, and distinctions such as decree, judgment, order, jurisdiction, and res judicata in civil law.
			04	To equip students with the knowledge of procedural intricacies involved in the institution, pleading, trial, and execution of civil suits.
4	23LLB 0404	Clinical Paper II- Drafting, Pleading and Conveyancing	01	To equip students with the foundational skills required for legal drafting, focusing on accuracy, clarity, and precision.

			02	To develop an understanding of the key elements of conveyancing and the ability to draft various types of conveyancing deeds.
			03	To familiarize students with contract drafting and legal notices, emphasizing practical applications in real-world scenarios.
			04	To provide insights into the rules and formats of pleadings in both civil and criminal litigation
5	23LLBEC405	Paper 1: Law on Education	01	To provide an understanding of the international legal framework for the right to education and its impact on global and national education policies.
			02	To examine the evolution of educational rights in India, focusing on reforms and challenges in various educational sectors, from elementary to higher education.
			03	To analyze the role of national and international agencies in eliminating discrimination and promoting educational access for all.
			04	To explore the legal and regulatory frameworks, including privatization and

Semester V				
Sr. No	Course Code	Course Titles	CO No.	Course Outcomes
1	23LLB 0501	Environmental Studies and Environmental Laws	01	Understand and articulate key environmental concepts, ecological systems, and the importance of biodiversity conservation.
			02	Identify major types and sources of pollution and evaluate

6	23LLBEC406	Paper 2: Human Right Law and Practice	01	To provide a comprehensive understanding of the concept, evolution, and significance of human rights.
			02	To explore the legal framework for human rights at international and national levels, with a focus on India's obligations and contributions.
			03	To analyze the protection of vulnerable groups through human rights instruments and India's role in addressing their needs.
			04	To critically evaluate the role of human rights commissions and their effectiveness in safeguarding human rights.
				influencing the development of corporate social responsibility, education.

				corresponding legal and societal control mechanisms.
			03	Analyze Indian constitutional provisions, landmark judgments, and statutes relevant to environmental protection.
			04	Assess the impact of global environmental policies, climate change laws, and justice-oriented mechanisms like NGT on contemporary environmental governance.
2	23LLB 0502	Administrative Law	01	Understand and explain the principles, evolution, and institutional structure of Administrative Law in India and abroad.
			02	Apply the concepts of natural justice, delegated legislation, and administrative adjudication to real-world legal scenarios.
			03	Critically evaluate the effectiveness of judicial and institutional controls over administrative authorities.
			04	Analyse contemporary issues such as corruption, transparency, and the impact of digital tools in administrative processes.
3	23LLB 0503		01	Understand the foundational principles and historical

				evolution of the Criminal Procedure Code.
			02	Analyze and interpret the structure, clauses, and provisions of the Bharatiya Nagarik Suraksha Sanhita, 2023.
		Bharatiya Nagarik Suraksha Sanhita, 2023	03	Demonstrate knowledge of the constitution of criminal courts and offices and the roles of judicial and executive magistrates, public prosecutors, and the Directorate of Prosecution.
			04	Evaluate the powers and procedures of courts and police officers under the Bharatiya Nagarik Suraksha Sanhita, 2023.
4	23LLB 0504	Clinical Paper III- Moot Court Exercise and Internship	01	Understand and apply the structure and process of moot courts, including memorial drafting and oral arguments.
			02	Conduct effective legal research using online and offline tools and analyze legal issues in moot problems.
			03	Demonstrate professionalism, client interaction, and drafting skills during legal internships and practical exercises.
			04	Evaluate the role of law students and lawyers in providing access to justice through legal aid, PILs, and pro bono work.

5	23LLBEC505	Paper 1: Health Law	01	Understand and explain the constitutional, legal, and institutional framework governing healthcare in India.
			02	Analyze legal and ethical issues surrounding medical practice, negligence, and professional regulation.
			03	Apply knowledge of consumer protection and statutory law to assess liability in medical and pharmaceutical contexts.
			04	Critically examine emerging issues in health law, including health data privacy, telemedicine, reproductive rights, and bioethical concerns.

Semester VI

Sr. No	Course Code	Course Titles	CO No.	Course Outcomes
1	23LLBo601	Interpretation of Statutes and Principles of Legislation	01	Explain the nature, purpose, and scope of statutory interpretation and apply core interpretative rules to legal texts.
			02	Use internal and external aids to resolve ambiguities and conflicts in legislation.
			03	Analyze the interpretation of constitutional provisions and the doctrine of basic structure in the context of social justice.
			04	Demonstrate an understanding of legislative drafting principles

				and assess the impact of judicial activism and modern legal challenges on interpretation.
2	23LLBo602	Property Law	01	Identify and classify various types of property and explain their legal implications under constitutional, statutory, and personal laws.
			02	Apply the provisions of the Transfer of Property Act, Easements Act, and relevant contract law to real-life property transactions and disputes.
			03	Interpret legal aspects of real estate, land acquisition, tenancy rights, and regulatory mechanisms like RERA.
			04	Evaluate emerging issues in property law, including digital property, IPR, and legal reforms, and propose practical legal solutions for property disputes.
3	23LLBo603	Principles of Taxation Law	01	Explain the conceptual framework, objectives, and canons of taxation and their role in economic development.
			02	Analyse the constitutional provisions, legislative competence, and judicial interpretation of taxing powers in India.
			03	Apply the principles of income tax, GST, and customs law to

				practical scenarios involving computation, compliance, and disputes.
			04	Evaluate the challenges in tax administration, reforms, and the impact of taxation policies on economic and social justice.
4	23BBL0604	Bharatiya Sakshya Adhiniyam, 2023	01	Understand the fundamental principles of evidence and its relevance in legal proceedings.
			02	Analyze the admissibility of admissions, confessions, and statements by persons who cannot be witnesses in legal contexts.
			03	Evaluate the significance and admissibility of opinion evidence, including opinions of third persons and experts.
			04	Comprehend the rules and exceptions regarding character evidence in both civil and criminal cases.
5	23LLB0605	Clinical Paper IV- Alternate Dispute Resolution	01	To introduce students to the principles, processes, and practices of various modes of ADR.
			02	To analyse the statutory framework and judicial trends concerning ADR in India.
			03	To develop practical skills in negotiation, mediation, arbitration, and conciliation.

			04	To explore emerging mechanisms like Online Dispute Resolution (ODR) and global best practices in ADR.
6	23LLBEC606	Paper 1: Citizenship and Emigration Law	1	Explain key concepts and constitutional provisions related to citizenship.
			2	Identify legal mechanisms for acquisition, loss, and renunciation of Indian citizenship.
			3	Interpret Indian emigration laws and migrant worker protections.
			4	Compare national and international migration frameworks.
			5	Critically analyze contemporary migration debates in India and abroad.

Dr. Govind S. Rajpal
 Dean, School of Law
