

## Health Facilities

MIT Art, Design and Technology University has a tie up with Multidisciplinary hospital named VishwaRaj Hospital which has a capacity of 300 beds with dedicated 65 critical care beds, 10 modular operation theatres and dedicated OPD blocks. The hospital is equipped with the latest medical technologies, equipment, testing instruments, comfortable accommodation, amenities and a wide-spread network of ambulances.

In addition to this, a separate Inhouse Clinic / OPD of VishwaRaj Hospital has been set at the MIT ADT University Campus with basic medicines. Two doctors & two nurses are available from 08:00 AM to 08:00 PM.

First Aid Boxes are installed in all academic and residential premises of the university campus.

Further, two dedicated ambulances are made available 24 x 7 in campus for use in any emergency cases.

A dedicated dietician is appointed by the University to provide nutritional assessment, personalized meal planning, dietary counseling to the staff members and students of the university.
