Enter **username** as per your wish
eg. Saksham6031

The screenshot shows a mobile application interface. At the top, there is a status bar with the time 10:14 and various system icons. Below the status bar is a navigation bar with a back arrow. The main content area is titled "Set Username" and includes the instruction "You can set your username once." Below this is a text input field with the placeholder text "Enter username*". At the bottom of the form is a prominent blue "Submit" button. A white callout box with a black border and rounded corners is positioned to the right of the "Submit" button, containing the text "Click on Submit" in red. An arrow points from the bottom-left corner of this callout box to the right edge of the "Submit" button.

Click on Submit

Below Screen Appears

Set Username

You can set your username once.

Your username will be set to saksham6031

Cancel

Ok

Click on
Ok

You will get below message

**Username Successfully
Created!**

Your Username is now active.
