

**Implementation of Nasha Mukh Bharat
Abhiyan: Anti-drug declaration by the students**

CIRCULAR

As you are aware, drug addiction is a major challenge in many Higher Educational Institutions (HEIs) with numerous cases of youngsters getting addicted to substance abuse. The Ministry of Social Justice & Empowerment (MoSJE), Government of India has implemented the Nasha Mukh Bharat Abhiyaan (NMBA) for drug demand reduction in the country.

University Grants Commission (UGC) has suggested to take action to sensitize the campus and other possible surrounding locations through their faculty, NSS volunteers, student clubs etc. through regular interventions and activities on substance use prevention.

A list of suggested activities to spread awareness and information, education and communication (IEC) material along with the best practices is available on the following link:
