MITADTU/Exam/2020-21/389   Date: 20.05.2021.

Formula for conversion of CGPA to an equivalent Percentage.

CIRCULAR

It is communicated for information of all the concerned as under:

There were several enquiries regarding conversion of CGPA to an equivalent percentage for fulfilment of norms needed to apply for various vacancies in Central and State Government sectors, Defence establishment etc.

As per the decision taken by the University Authorities, it is hereby informed as under:

The conversion of CGPA to an equivalent percentage of marks be calculated as per the following formula:

Percentage of Marks = CGPA x 9.56

This conversion should be carried at School level and the certificate to be issued, if required by the student, by the concerned HOI.

(Dr. Dnyandeo Neelwarna)
Controller of Examinations
